Re: United States v. Lonnie Earl Brockington
 96 Cr. 235-07 (JG)

Dear Judge Gleeson:

With the consent of the government, this letter is written to request an adjournment in the above referenced matter. This case is currently on the Court's calendar for October 11, 2005.

As the Court may recall, Mr. Brockington has been charged with a violation of supervised release due to a pending criminal case in Kings County. Despite efforts by counsel on both sides, at this time the parties are unable to give the Court a status on underlying matter. Accordingly, we will not be prepared to proceed on October 11, 2005. It is for this reason that an adjournment is requested.

As I will be starting a lengthy trial before the Honorable Arthur D. Spatt on October 24, 2005, it is requested that this matter be adjourned until a date in late December. I thank Your Honor for his consideration in this matter.

Respectfully,

Elizabeth E. Macedonio
